Dear Sir:

I am an eighth grade student at Hickory School. And Since we're studying about business letters I decided to write to you. I was wondering How Smokey Bear got its name and how it got started. Do you have any information about fires? What do you specialize in?

Thank you for your time.

Respectfully yours,
Sheila Nolt

To Whom It May Concern,

I'm writing to you for my disabled husband who collects autographed photography of different Mascots.

And, I'd like to know if I could obtain an 8x10 autographed photograph of Aboddy the Owl, and of Smokey the Bear to add to his collection?

Also, could you add anything else you think he might enjoy?

Thank you for your time.
I'll be looking forward to your reply!

Sincerely

Dear Smokey,

I hope no one is disobeying the rules. I have never seen a fire in my life and I never want to because it just makes tears go to my eyes. Have you seen a fire before and how old are you?

Dear Smokey,

Since I've been
to the exhibit for you, or rather
featuring you, I've decided to be
more respectful of nature. I make sure
my cigarettes are completely out so I
